REQUIRED MATERIAL:

Millay Colony Application Process: Each year the Colony invites 48 individuals for a Millay residency with the help of distinguished juries. *Your work is considered solely on the merit of your artist statement and work sample.* The jury process is competitive and anonymous. Please keep these factors in mind as you prepare your application. **It is very important that you do not include your name on your artist statement or work sample, unless indicated otherwise.**

1. Artist Statement: Write no more than one page. Write about your work, yourself and your current thinking about what you'd like to accomplish at Millay Colony as clearly and concisely as possible. The jurors want to get a sense of you as an artist and your creative process, of how you plan to move forward creatively and the context for your work. This will help them make their final decisions. Do not include information about awards, galleries, publishing, etc. The number of copies to be included are listed below under work sample requirements. **Do not write your name on this statement.**

2. Biographical Statement: Write no more than 2 paragraphs. This is for the administrative file and will not be seen by the jury members. Here you can list awards, exhibitions, published works etc. *Only one copy is needed.*

3. Work Sample Requirements:

COMPOSERS: Submit four copies of a CD along with four copies of a standard size musical score, if available (no larger than 14" X 17"). *Do not write your name on the CDs or scores.* Include four copies of your Artist Statement paper-clipped to the musical scores. If you wish to have your work sample returned, include a sufficiently stamped, self addressed envelope.

VISUAL ARTISTS: Submit two CDs of up to ten work samples in jpeg/tiff format, 72 dpi, along with one corresponding image list that cites titles, sizes, dates and medium. Test CD's to make sure images open on Apple computers. Write your name on the CD and image list, but do not have your name listed within jpeg images.

Installation/Film Arts: One DVD, submit no more than two minutes duration of work sample. Write your name on the DVD only, names are not allowed to be included within 2 min work sample.

- **Include seven copies of your Artist Statement (do not write your name on the statement).**
- If you wish to have your work sample returned, include a sufficiently stamped, self addressed envelope.

Note: Those applicants not able to send digital work samples, call 518 392-3103 or email at residency@millaycolony.org

WRITERS - Artist statement attached to each work sample:

Fiction/Non Fiction: Submit seven (7) copies of no more than thirty pages of work sample in manuscript form. Work samples can be work in progress or already published work; whatever you feel will make for the strongest application. Manuscripts must be double spaced, using an 11 or 12 pt. font.

Poetry: Submit four (4) copies of up to ten poems and no more than 15 pages total for work sample.

Playwrights and Screenwriters: Submit three (3) copies up to 30 pages in standard industry form.

ALL WRITERS: 1) Do not have your name on any manuscript/work sample page, and number your pages. 2) Staple or paperclip a copy of your Artist Statement to the front of each of your work sample copies. (Do not include publishing or biographical information in Artist Statement). Only one Biographical Statement copy is needed with your application. Work samples will not be returned.

Please Note: The Millay Colony does not accept translation projects for a residency.

COLLABORATIONS: Submit two separate applications, fees, artist's statements, only one work sample if applying in the same discipline. If collaborating in two different disciplines, send two work samples. Each discipline will be viewed by separate juries.
